All licenses are for one company only and allow the user to view/analyse data from any source. Subscription licenses can be bought for clients as well (except unlimited license packs), but will be limited to only viewing data from one source.

\* Unlimited license packs in subscription are limited to the buying company only (see above)

\*\* Price per license for unlimited packs depends on actual number of users

\*\*\* Support is priced at 10%, 20% & 30% of annual fee (minimum of £3.00, £7.00 and £10.00 per license per month)

Support prices based on annual payment in advance. Support can also be paid monthly in advance (20% more annually)
